Introduction and Objectives

Welcome to the 7th consecutive event of the International Conference on Civil Engineering for Sustainable Development (ICCESD 2024) organized by the Department of Civil Engineering, Khulna University of Engineering & Technology (KUET), Khulna, Bangladesh. The 1st, 2nd, 3rd, 4th, 5th & 6th events of the ICCESD conference were held in 2012, 2014, 2016, 2018, 2020 & 2022 respectively, and received more than 400 delegates from all around the world in each event. ICCESD aims to provide a platform for exchanging ideas on latest advances in research and innovations, as well as state-of-the-art information in the fields of Civil Engineering among Academicians, Scientists, Researchers and Civil Engineering practitioners. The 7th conference will be held on 7 - 9 February 2024 by staging in blended mode at KUET Campus, Khulna, Bangladesh.

Conference Themes

The ICCESD 2024 conference focuses on a wide range of issues of Civil Engineering to enhance the knowledge-base, increase awareness, explore new ideas and thinking. The technical sessions will consist of plenary and keynote lectures, in which both the leading experts and young researchers will present state-of-the-art reviews of rapidly-developing and exciting areas, report the latest significant findings and developments in all the major areas of Civil Engineering as but not limited to :

- Structural and Earthquake Engineering
- Geotechnical and Foundation Engineering
- Road, Bridge, and Railway Engineering
- Transportation Planning and Traffic Management
- Environmental and Ecological Engineering
- Water Resources Engineering
- Structural and Fire Safety Engineering
- Architectural and Building Services Engineering
- Sustainable Materials and Technology
- Aerosol and Air Pollution Engineering
- Construction Engineering and Management
- Geoenvironmental Engineering and Management
- Marine Hydraulics and Coastal Engineering
- Climate Change and Disaster Management

Abstract Submission

An abstract, within a maximum of 300 words should be submitted electronically at the conference website: (www.iccesd.com).
